R.No.9697-Mal.(2)/51 dated 5.3.1951.

Sir,

Sub:- Malaria - South Kanara District - Puttur and Karkal Taluks - Scheme of anti-malaria measures- Continuance from 24.3.1951 to 31.3.1952 (31st March 1952) - Sanction of Government - Requested.

pages 17-18 (A) Ref:- G.O.Ms.No.986, Health dated 18.3.1950.

---

said The sanction accorded in the G.O. cited above to the continuance of the scheme of antimalaria measures in Puttur and Karkal Taluks in South Kanara District and to the employment of the staff therefor, will expire on 23.3.1951.

2. The scheme commenced working from March 1948 and the actual control measures were started from May 1948. All the malarious villages of Puttur taluk have come under control from December 1949. While 133 villages in Puttur and Karkal taluks benefitting a population of about 1,28,000 were taken up for Malaria control during 1950, 153 villages in all, benefitting a population of 1,39,219 are at present under control from 1951.

3. The Malaria control measures consisted of indoor residual spraying of houses with DDT, besides intensive distribution of anti-malaria drugs. In addition, detailed spleen, parasite and entomological surveys were done periodically to assess the results of the measures.

4. The good results of the control measures adopted in the area can be noticed in the reduction of spleen and parasite rates and in the malaria incidence as shown in the following tabular statement.-

	1948.	1949.	1950.
1. Spleen rates.	45.9%	39.8%	23.5%
2. Parasite Rates.	8.3%	3%	1.01%

3. Percentage of malaria cases to total cases treated in the different hospitals and dispensaries in the area.-

	1947.	1948.	1949.	1950.
Local Fund Hospital, Kadaba.	59.6%	55.4%	46%	26.49%
Rural Dispensary, Uppinangady.	43.4%	37.1%	31.9%	26.53%
Local Fund Hospital, Beltangady.	44.1%	55.1%	36.3%	27.2%

pto.

	1947.	1948.	1949.	1950.
Local Fund Hospital, Sullaya.	35.8%	32.7%	22.9%	17.7%

5. The Health Officer, Antimalaria Scheme, Puttur, requests sanction for the employment of an additional staff of one Lower Division Clerk, one Laboratory Assistant and six Field Assistants for the reasons set forth below.-

a) Need for an Additional Lower Division Clerk:

At present there is only one Lower Division Clerk. Since the inception of the scheme in 1948, its area of operations has been increased enormously. While only 31 villages were taken up for control in 1948, it was extended to 96 villages in 1949, to 133 villages in 1950 and to 153 villages in 1951.

There has also been increase in the number of Health Inspectors, Field Assistants and spraying Mazdoors from year to year. Although there has been all round increase as stated above, there has not been any increase in the clerical staff ever since the commencement of the scheme. The existing Lower Division Clerk has to attend to correspondence work, tabulation of technical data arising in the laboratory and the field, maintenance of Accounts fair-copying and despatch work, besides preparation of various periodicals etc. Hence the need for an additional Lower Division Clerk for the Scheme.

b) Need for one Laboratory Assistant and six Field Assistants:

Since the jurisdiction of the scheme has expanded enormously, it has been found necessary to have one sub-unit with headquarters at Karkal consisting of one Laboratory Assistant and 2 Field Assistants for routine weekly collection of entomological data.

Four more Field Assistants are required for field work to be in charge of DDT spraying work and quinine distribution work in Puttur Taluk, as it is found that the existing Field Assistants in the Puttur Taluk are not able to cope with the heavy work.

6. I have carefully examined the proposals of the Health Officer, Antimalaria Scheme, Puttur, and I consider that the additional staff of one Lower Division Clerk and two Field Assistants alone will be sufficient for the present: The question of an additional Laboratory Asst: and four Field Assts. may be deferred for the present.

7. Further, the present area of operations in Puttur and Karkal taluks put together is about 1000 sq. miles covering a population of about 1,39,219. In view of the expansion of the area covered by the scheme, it is considered essential that the scheme should be put in charge of a Health Officer (Class I) in order to obtain greater efficiency and a higher order of supervision of work. In this connection, it may be stated that

in Wynaad Taluk Antimalaria Scheme, the area covered and the population benefitted are 760 sq. miles and 1,07,979 respectively and this scheme has been placed in charge of a Health Officer (Class I). The Nugur and Paderu Antimalaria Schemes also which are much smaller in respect of area and population are controlled by Health Officers (Class I). It is only proper that the Puttur and Karkal Taluks Antimalaria Scheme which has expanded to cover a much larger area and population than the above schemes should now be put in charge of a Health Officer (Class I). The extra cost to Government on account of this proposal would only be about Rs.1250/- per annum and this is well justified considering the present magnitude of the scheme.

8. I therefore request that Government may be pleased to sanction the continuance of the scheme with the following staff for the period from 24.3.1951 to 31.3.1952.-

Existing staff.		Addl. staff now asked for.	Total staff proposed for the period from 24.3.51 to 31.3.52.
Health Officer (Class II)	1	Conversion of Health Officer, Class II into Health Officer, Class I.	Health Officer (Class I) 1
Entomological Asst.	1	-	1
Lower Division Clerk	1	1	2
Health Inspectors.	6	-	6
Field Assistants.	21	2	23
Laboratory Assistant	1	-	1
Peons.	7	-	7
Driver-cum-cleaner.	1	-	1
Spraying Mazdoors	105	10	115 * (to be paid at market rates and to be employed only as and when necessary and not exceeding 7 months in the year.)

9. All the above staff (except the spraying Mazdoors) may be permitted to continue to draw a special pay of 25% of their pay sanctioned in G.O.Ms.No.2320 P.H. dated 8.7.1948.

10. Sanction may also be accorded to the incurring of the following expenditure.-

I. Insecticides, Larvicides, solvents etc.	* Rs.70,000	per annum.	(Recurring)
II. Office expenses, Rent, maintenance and running charges of the Motor transport.	12,000	per annum	do.
III. T.A. including F.T.A.	14,000	do.	do.
IV. Laboratory and Field equipments.	3,000	do.	(Non-recurring)

* Increase over last year's provision necessitated by rise in price of DDT from Rs.2.12.0 to Rs.3.5.0 per lb. plus 30% and increase in the number of villages taken up.

pto.

11. The President, Dist. Board, South Kanara, has been addressed to state whether the District Board will be in a position to meet 2/3rds of the cost of the scheme in 1951-52 and a copy of his reply containing the views of the District Board will be forwarded to Government as soon as it is received.

Yours faithfully,

for Director of Public Health, Madras.

R.No.9697-Mal.(2)/51 dated 16.3.51.

12326

Sir,

Sub:- Malaria - South Kanara District - Puttur and Karkal Taluks - Scheme of antimalaria measures- Continuance from 24.3.1951.
Ref:- G.O.Ms.No.986, H. dated 18.3.50.

In continuation of this office letter R.No.9697-Mal.(2)/51 dated 5.3.51, I forward herewith a copy of letter No.Roc.3009-A5-51 d/5.3.1951 received from the President, District Board, South Kanara, together with a copy of enclosure referred to therein.

The scheme and the staff will be continued on the existing basis from 24.3.1951 in anticipation of sanction of Government.

Yours faithfully,

for Director of Public Health, Madras.

Copy to: The Health Officer, Antimalaria Scheme, Puttur.
The Dist. Health Officer, S.Kanara, Mangalore.

Copy of letter Roc.3009-A5-51 d/5.3.1951 from the President, Dist. Board, S.Kanara to the Director of Public Health.

Ref: Your R.No.S.147-2 Mal.(2)/51 d/1.2.51.

With ref. to your letter quoted above, I have to state that the Dist. Board in its resolution No.85 dated 24.2.51 has sanctioned the payment of the contribution of Rs.20,000/- (twenty thousand only) towards the cost of the antimalarial scheme sanctioned in G.O.No.Ms.986 Health dated 18.3.50 for the year 1951-52. On account of its acute financial stringency, the Dist. Board is not in a position to contribute two-thirds of the cost. The Dist. Board has been contributing one-third of the cost towards the cost of the scheme and I request that the contribution now sanctioned by the Board may kindly beaccepted.

2. A copy of the above resolution is enclosed.

Order

The Govt sanction the continuance for a further period from 24.3.51 to 31.3.52, of the scheme of anti-malarial measures for the Puttur and Karkal taluks of the South Kanara Dt, together with the staff employed on it, as sanctioned in G.O. No. 986, Health, dated 18.3.1950. The action of the D.P.H. in having continued the scheme beyond 23.3.1951 in anticipation of sanction of Govt is approved.

2. The Govt also approve the following proposals of the D.P.H., subject to the condition that they should be given effect to on or after 1-4-51:—

(i) the conversion of the post of H.O., class II, (now employed on the scheme) into that of H.O., class I;

(ii) the employment of an additional lower division clerk; and

(iii) the employment of two additional field assistants.

3. The staff referred to in paragraphs 1 and 2 above excepting the mazdoors will draw or continue to draw a special pay

P.T.O.

equivalent to 25% of their pay. (G.O.)

4. Sanction is also accorded to the incurring of the following expenditure during 1951-52 in connection with the scheme :—

(i) Insecticides, larvicides, solvents etc ..... Rs 75,000 (Recurring)

(ii) Office expenses, Rent, maintenance and running charges of motor transport } Rs 12,000 (Recurring)

(iii) D.A. including T.A. : Rs 14,000 (Recurring)

(iv) Laboratory and field equipment : Rs 3,000 (Non-recurring)

5. The expenditure should be debited to "39 Public Health — C. Expenses in connection with Epidemic diseases — B Other Epidemics — Malaria — I Ordinary Areas".

6. The South Kanara D. B. has provided an amount in its B.E. for 1951-52, a sum of Rs 20,000 towards the cost of the anti-malaria scheme. The Govt direct that this amount be recovered from the D. B. and credited to State funds under the head "XXVIII. Public Health — (b). Contributions".

Summarising Note.

Sub: Malaria - South Kanara Dt: Puttur and Karkal Tks - Scheme of anti-malaria measures - Continuance from 24.3.51 to 31.3.52.

A Scheme of anti-malarial operations for the Puttur and Karkal Tks of the South Kanara Dt was first sanctioned in 1948. The Scheme was continued for a further period of one year from 24.3.50 with the following staff:-

(1) One Health Officer, class II.
(2) One Entomological Asst.
(3) One Lower Division clerk.
(4) Six Health Inspectors.
(5) Twenty-one Field Assistants.
(6) One Laboratory Asst.
(7) Seven peons
(8) One Driver-cum-cleaner.
(9) One hundred and five Sweepers.

The last sanction for the Scheme ended on 23.3.51

2. In view of the good results achieved, the DHA proposed that the Scheme might be continued for another term from 24.3.51 to 31.3.52. In that connection he asked for sanction for

(a) the conversion of the Post of H.O. class II., into that of H.O. class I., and

(b) the employment of an addl lower Division clerk and two addl Field Assistants.

vide para 1 on page 13 of G.O. (3)

para 6 on p 2 3 of

He also proposed the incurring of the following expenditure during 1951-52 in connection with the Scheme:

(1)	Insecticides, larvicides, solvents etc.	Rs. 70,000/-	Per annum (Recurring)
(2)	Office expenses, Rent, maintenance and running charges of the motor launch	Rs. 12,000/-	Per annum (Recurring)
(3)	T.A. including F.T.A	Rs. 14,000/-	Per annum (Recurring)
(4)	Laboratory & field equipment	Rs. 3,000/-	Per annum (non-recurring)

Para 10 on P3 of

3/ The proposals of the GOI were authorised by this Deptt and were agreed to by the Finance Deptt subject to the condition that the proposals in (a) + (b) in Parag 2 above should be given effect to only from 1.4.51. The cost on account of the proposals was estimated to be Rs. 1,02,800/- recurring and Rs. 3,000/- non-recurring.

Page 1-2 N.F. para 2 on Page 4-5 N.F.

Page 4 N.F.

4/- Ordinarily, schemes of anti-malarial measures should be carried out by the local bodies concerned with the assistance of one-third grant from the Govt. As the S. Kanara Dt. Bd was not in a position to meet any share of the expenditure, the Scheme referred to in Parag 1 above was executed entirely at the cost of Govt during the first two years, (i.e.) during 1948-49 and 1949-50. During 1950-51, the S. Kanara Dt. Bd contributed a sum of Rs. 20000/- towards the cost of the Scheme. The L.A. Dept have also stated

that the D.T.Bd had also provided for a Contribution of Rs. 20,000/- in its B.E. for 1951-52. It was proposed to accept this Contribution from the D.T. Board towards the Cost of the Scheme during 1951-52. The net Cost to the Govt worked out, therefore, to Rs. 82,800/- recurring and Rs. 3,000/- non-recurring.

5. As the net Cost to Govt exceeds Rs. 10,000/- per annum recurring, the Proposals required the Approval of the S.F.C. and the Cabinet before they were sanctioned. But, as orders sanctioning the Continuance of the Scheme had to be issued before 24.3.51, Finance agreed to the waiver of reference to the S.F.C., and the Cabinet and to the Short Circuit Procedure being followed in this Case. Accordingly, orders were obtained in Circulation to H.M. (H), H.M. (Fin) and H.C.M for Approval of the Proposals and orders were issued sanctioning the Continuance of the Scheme from 24.3.51 to 31.3.1952 and Approving the other Proposals of the D.O.M. referred to in paragraph 2 above.

6. The above Note is submitted for the information of H.M's who have not seen the Case, the Chief Secy and the Finance Secy.

Summarising Note.

Sub: Malaria - South Kanara District - Puttur and Karkal taluks - Scheme of anti-malaria measures - Continuance from 24-3-1951 to 31-3-1952.

--

A scheme of anti-malarial operations for the Puttur and Karkal taluks of the South Kanara District was first sanctioned in 1948. The scheme was continued for a further period of one year from 24-3-1950 with the following staff:--

(1) one Health Officer, Class II.
(2) One Entomological Assistant.
(3) One lower division clerk.
(4) Six Health Inspectors.
(5) Twenty-one Field Assistants.
(6) One Laboratory Assistant.
(7) Seven peons.
(8) One Driver-cum-Cleaner.
(9) One hundred and five mazdoors.

The last sanction for the scheme expired on 23-3-1951.

2. In view of the good results achieved, the Director of Public Health proposed that the scheme might be continued for another term from 24-3-1951 to 31-3-1952. In that connection, he asked for sanction for.-

(a) the conversion of the post of Health Officer, Class II, into that of Health Officer, Class I, and

(b) the employment of an additional lower division clerk and two additional Field Assistants.

He also proposed the incurring of the following expenditure during 1951-52 in connection with the scheme:

(1) Insecticides, larvicides, solvents etc. Rs.70,000/- per annum(recurring)

(2) Office expenses, rent, maintenance and running charges of the motor transport Rs.12,000/- per annum(recurring)

(3) Travelling allowance including fixed travelling allowance Rs.14,000/- per annum(recurring)

(4) Laboratory and Field equipment Rs. 3,000/- per annum(non-recurring)

3. The proposals of the Director of Public Health were supported by this Department and were agreed to by the Finance department subject to the condition that the proposals in (a) and (b) in paragraph 2 above should be given effect to only from 1-4-1951. The cost on account of the proposals was estimated to be Rs.1,02,800/- recurring and Rs.3,000/- non-recurring.

4. Ordinarily, approved schemes of anti-malarial measures should be carried out by the local bodies concerned with the assistance of one-third grant from the Government. As the South Kanara District Board was not in a position to meet any share of the expenditure, the scheme referred to in paragraph 1 above was executed entirely at the cost of Government during the first two years, (i.e.) during 1948-49 and 1949-50. During 1950-51, the South Kanara District Board contributed a sum of Rs.20,000/- towards the cost of the scheme. The Local Administration Dept. have also stated that the District Board had provided for a contribution of Rs.20,000/- in its Budget Estimate for 1951-52. It is proposed

proposed to accept this contribution from the District Board towards the cost of the scheme during 1951-52. The net cost ~~of~~ to the Government works out, therefore, to Rs.82,800/- recurring and Rs.3,000/- non-recurring.

5. As the net cost to Government exceeds Rs.10,000/- per annum recurring, the proposals required the approval of the Standing Finance Committee and the Cabinet before they were sanctioned. But, as orders sanctioning the continuance of the scheme had to be issued before 24-3-1951, Finance agreed to the waiver of reference to the Standing Finance Committee and the Cabinet and to the short circuit procedure being followed in this case. Accordingly, orders were obtained in circulation to the Hon'ble Minister for Health, the Hon'ble Minister for Finance and the Hon'ble the Chief Minister, for approval of the proposals and orders were issued sanctioning the continuance of the scheme from 24-3-1951 to 31-3-1952 and approving the other proposals of the Director of Public Health referred to in paragraph 2 above.

6. The above note is submitted for the information of Hon'ble Ministers who have not seen the case, the Chief Secretary and the Finance Department.

T.M.S. Mani,
Secretary to Government.

G.O. No. 9983/51/Eg: Sub:- Malaria - South Kanara District - Puttur and Karkal Taluks - Scheme of anti-malaria measures - Continuance from 24.3.51 to 31.3.52.

pages 1-4 of From the D.P.H., R.No. 9897-Mal.(2)/51, dated 5.3.1951.

pages 17-18 of (A) In G.O. No. 986, Health, dated 18.3.1950, the Govt. sanctioned the continuance for a further period of one year from 24.3.1950, of the scheme of anti-malarial measures in the Puttur and the Karkal Taluks of the South Kanara Dt. The summarising note on pages 13-15 of (B) G.O. No. 2019, P.H., dated 2.6.1949, and the typed note on pages 7-9 of (A) G.O. No. 986, Health, dated 18.3.1950, will give the previous history of the Scheme. The scheme is worked by the following staff at present:

pages 17-18 of (A)

(1) One Health Officer, Class II.
(2) " Entomological Assistant
(3) " Lower Division Clerk
(4) Six Health Supervisors.
(5) Twentyone field Assistants.
(6) One Laboratory Assistant
(7) Seven Peons.
(8) One Driver (Gun Cleaner)
(9) One hundred and five sweepers.

Vide The existing sanction for the scheme expires on 23.3.1951 A.

2. In paras 2 to 4 on pages 1-2 of, the D.P.H. has explained how the scheme worked and what results were achieved during 1950-51. In view of the results achieved, he proposes that the scheme may be paras 8 on page 3 of continued from 24.3.1951 to 31.3.1952. In this connection he states that the H.Q. of the Scheme has asked for para 5 on page 2 of the employment of the following additional staff:-

(i) One Lower Division Clerk
(ii) One Laboratory Assistant
(iii) Six Field Assistants.

The need for the above addl. staff has been explained at p in paras

in parag. 5 (a) and (b) on page 2 of the D.P.H. Coimbatore considers that the employment of an addl. staff of one lower division clerk and two field assistants will be sufficient for the present and that the employment of the rest of the addl. staff asked for by the H.O. may be deferred.

A para 6 on page 2 of.

"In view of the reasons given in parag. 7 on pages 2-3 of, the D.P.H. also proposes that the scheme may be placed in charge of a H.O., Cl. I, and that for this purpose, the present post of H.O., Cl. II, may be converted into that of H.O., Cl. I.

3. In view of the good results achieved, the proposal of the D.P.H. for the continuance of the scheme till 31.3.1952 may be approved. His proposals at 'A' and 'B' above may be accepted subject to the condition that the addl. staff at A above may be appointed and a H.O., Cl. II, in the place of the H.O., Cl. II, may be appointed with effect from 1.4.1951.

PP 12.3.51

4. The proposal of the Director in parag. 9 on p. 3 of, for the payment of special pay to the staff except the sweepers may also be agreed to.

PP 12.3.51

5. As regards the recurring and non-recurring expenditure to be incurred in connection with the scheme, the D.P.H. has asked for addl. amounts under items I, II and IV in parag. 10 on page 3 of. The need for the increase under item I is explained at 5 on p. 3 of. The increases under II and IV will be necessary in view of the addl. staff proposed to be sanctioned.

vide para 3 on p. 18 of ante (A)

PP 12.3.51

6. As regards paragraph on page 4 of, LA may be requested to state whether any provision has been made by the South Kanara D.B. in its B.E. for 1951-52, for payment of contribution to the trust on account of the scheme.

vide para 5 of Board's note at LA note on pages 2-4 of ante + para 5 on p. 19 of ante (A)

7. The file may be sent to Finance for remarks through LA.

para 6 of the note of Health dept at p.2 above.

Vide 2nd

Provision is made in the R.E. for 1951-52 of the Dt. Bd for a Contribution of Rs. 20,000/- to Govt. towards the cost of Anti-malaria Scheme in Puttur and Karkal Taluqs. The Gl. account of the Dt. Bd for 1951-52 is expected to close with a deficit of 1.71 lakhs and it is proposed to consider the question of giving a grant towards this deficit while examining the R.E. for 1951-52. A grant of Rs. 1 lac has been sanctioned to this Dt Bd towards the deficit in the Gl. account in the current year.

The file may be passed on to Fin dept.

FINANCE DEPARTMENT

Fin 17-19 cf / (A)

Finance (Edn)

In G.O.No 986 Health dated 18-3-1950, the Govt sanctioned the continuance for a further period of one year from 24-3-1950, of the scheme of anti-malarial measures in the Puttur and Karkal Taluks of the South Kanara Dt, with the staff mentioned in para 1 on page 1 above. The existing sanction for the scheme expires on 23-3-1951 A.N. The present proposal in the file relates to the continuance of the above scheme during 1951-52. The financial implications of the proposal will be as shown below:-

para 1 F.I.F.

Recurring.

Staff:- Conversion of the existing post of 2nd class H.O. into that of 1st class I. } Rs 3,894

Addl L.D. clerk on Rs 45-90.
Two Field Asstts on Rs 25-45 } Rs 2,944

Insecticides, and Larvicides etc Rs 70,000

Office expenses, rent etc Rs 12,000

T.A. including F.T.A Rs 14,000

Total Rs 1,02,838

(⊕ Excluding the Cost of 10 Spraying Machines to be paid at market rates as and when required by the Director of Health Services)

Non-Recurring:-

Laboratory and Field Equipments Rs 3,000. ⌐ 3 CF

The notes of Health and L.A Depts on ⌐⌐ 1-3 above may be perused.

Ordinarily approved schemes of anti-malarial measures are to be carried out by the local bodies concerned with the helps of one third grant from the Govt. As the South Kanara Dt Board was not in a position to meet its share of the cost, the Govt, during the first two years, executed the scheme at their own cost. During 1950-51 the South Kanara Dt Board contributed a sum of Rs 20,000/- towards the cost of the scheme and the remaining cost of the scheme was met by the Govt. The L.A. Dept have now stated that a sum of Rs 20,000/- has been provided for in the B.E. for 1951-52 of the Dt Board for Contribution to Govt towards the cost of the scheme. This contribution of the Dt Board may be accepted. If this is done, the net extra cost to Govt will be Rs 82,838/- recurring and Rs 3,000/- non-recurring.

(of division of the ⌐⌐ 5 of ⓕ)

⌐⌐ 21-22 CF of ⓐ

⌐⌐ 1-3 above

⌐⌐ 5 of ⓕ

1,02,838 - 20,000 = 82,838

2/ The results of the scheme carried out during 1950-51 are explained in paras 2 to 4 on ⌐⌐ 1-2 C.F. In view of the good results achieved, Finance may agree to the Continuance of the scheme for a further period upto 31-3-1952.

15/3/51

In the circumstances explained by the D.P.H

in paras 5 to 7 on pp 2-3 C.F. Finance may agree to the conversion of the existing post of II class H.O. into that of class I, and for the employment of ~~the~~ an addl staff of one L.D. clerk and two Field Asstts, with effect from 1-4-51. This Dept may also agree to the proposal of the D.P.H in para 9 on p3 C.F.

15/3/51

The other items of recurring and non-recurring expenditure are not objectible of persuing and may be accepted.

15/3/51

3/ As the extra cost involved in the proposal exceeds Rs 10,000/- p.a. recurring, it will ordinarily have to be placed before the S.F.C and the Cabinet before the issue of orders. But as sanction for the continuance of the scheme is due to expire on 23-3-1951, Finance may agree to the short circuit procedure indicated in para II (iii) of the Annexure to the Fin No note 1,00,000 B.G.-1 dated 6-12-50 for waiving a reference to the S.F.C and the Cabinet being followed in this case.

Health (E2) Deptt.

NOTE FOR CIRCULATION

A scheme of anti-malarial operations has been working in the Puttur and Karkal taluks of the South Kanara District ever since 1948. The following staff are employed on the scheme at present:-

(1) One Health Officer, Class II.

(2) " Entomological Assistant.

(3) " Lower Division Clerk.

(4) Six Health Inspectors.

(5) Twenty one Filed Assistants.

(6) One Laboratory Assistant.

pages 17-18 of (A)

(7) Seven Peons.

(8) One Driver (cum Cleaner).

(9) One hundred and five mazdoors.

The existing sanction for the scheme expires on 23-3-1951 A.N.

2. (i) The D.P.H. has now given an account of the working of the scheme and the results thereof during the current year-vide paras 2-4 on pages 1-2 c.f.r. In view of the results achieved, he has proposed that the scheme may be continued for another term from 24-3-1951 till 31-3-1952.

(ii) In that connection, he has also asked for sanction for

(a) the conversion of the post of H.O., Cl.II, into that of H.O., Cl.I.;

(b) the employment of an addl. L.D. Clerk;

(c) the employment of ~~two~~ addl. field assistants;

(d) the continuance of the payment of the special pay of 25% of their pay to the staff except the mazdoors; and

(e) the incurring of the following expenditure during 1951-52 in connection with the Scheme:

I.	Insecticides, Larvicides, solvents etc.	* Rs.70,000 per annum.	(Recurring)
II.	Office expenses, Rent, maintenance and running charges of the Motor transport	12,000 per annum	do.
III.	T.A. including F.T.A.	14,000	-do- do
IV.	Laboratory and Filed equipments.	- 3,000	-do- (Non-recurring).

3. The above proposals have been supported by this Deptt. and agreed to by the Finance Deptt., subject to the condition that the proposals in (a) (b) and (c) in para 2(ii) above should be given effect to only from 1-4-1951. The ~~addl.~~ cost on account of the proposals is estimated to be Rs.1,02,800/- recurring and Rs.3,000/-.non-recurring.

4. Ordinarily, approved schemes of anti-malarial measures should be carried on by the local bodies concerned, with the assistance of one-third or more grants, from the Govt. In the case of the present scheme, as the South Kanara Dt. Bd. was not in a position to meet any share of the expenditure, the scheme was executed entirely at the cost of Govt. during the first two years, i.e. during 1948-49 and 1949-50. During 1950-51, however, the Dt. Bd. contributed a sum of Rs.20,000/- towards the cost of the scheme. This time also, L.A. have said that the Dt. Bd. has provided for a contribution of Rs.20,000/- in its B.E. for 1951-52. It is proposed to accept this contribution of the Board towards the cost of the scheme during 1951-52. The net addl. cost to the Govt. will, therefore, be only Rs.82,800/- recurring and Rs.3,000/- non-recurring.

5. As the addl. cost exceeds Rs.10,000/- p.a. recurring, the proposals would require the approval of the S.F.C. and the Cabinet, before they are sanctioned. But as orders sanctioning the continuance of the scheme have to be issued before 24-3-51, Finance have agreed to the waiver of reference to the S.F.C. and the Cabinet and to the short circuit procedure being followed. The file may accordingly be circulated to H.M.(H), H.M. (Fin.) and H.C.M. for orders whether the proposals referred to in paragraph 2(i) and (ii) on page 6 above will be approved.
